

Pre-Consultation Meetings

Pre-consultation meetings are available for medium to large development proposals that may be complex and/or may have many internal department/external agency comments. A pre-consultation meeting is an opportunity to hear the applicable agencies' comments, ask questions, and determine what is required for a complete application. All information discussed in a pre-consultation meeting is considered confidential until a *Planning Act* application is submitted. Pre-consultation meetings occur on the first and third Wednesday of every month. There will be three, one hour time slots per meeting date (9, 10, and 11 am). Assigned Pre-Consultation meeting dates are subject to change and/or availability. Please note pre-consultation notes are valid for one year and development applications must reflect proposal submitted at the Pre-Consultation meeting, otherwise a new meeting is required.

Information Required from the proponent prior to scheduling a pre-consultation meeting:

1. Application Form
2. Detailed concept plan
3. Pre-Consultation Meeting Fee (2025 fee is \$1038.00)
4. Long Point Region Conservation Authority Fee (fee is \$339.00), if applicable
