

Haldimand County Emergency Services is committed to providing fire safety education programs throughout our community. Interested in education and awareness for smoke alarms, the new CO (carbon monoxide) detector requirements, fire extinguishers or would you simply like to have your group visit the local fire hall? Haldimand County Emergency Services will do its best to accommodate the fire safety education requests for your group or organization. Station Hall Tours will be subject to the availability of the Firefighters at the requested station.

All we need from you or your organization is to fill out the accompanying request form and forward it to us at: [emergencyservices@haldimandcounty.on.ca](mailto:emergencyservices@haldimandcounty.on.ca) or by fax at 289-674-0396. If you require further information, please feel free to call the below number and ask for extension 6230.
