

THE CORPORATION OF HALDIMAND COUNTY

By-law No. 1501/15

Being a by-law to establish the regulation and management of cemeteries under the control of The Corporation of Haldimand County

WHEREAS the Council of The Corporation of Haldimand County deems it necessary to enact a by-law for the regulation and management of cemeteries under the control of the municipality;

WHEREAS on July 1st, 2012, the *Cemeteries Act*, R.S.O. 1990, chapter C.4 as amended was repealed and replaced by the *Funeral, Burial and Cremation Services Act*, 2002;

WHEREAS it is necessary to repeal Haldimand County's Cemetery by-law #198/02 and amending by-law #1219/11 and enact a new cemetery by-law in order to be compliant with the *Funeral, Burial and Cremation Services Act*, 2002;

AND WHEREAS no such by-law comes into force or takes effect until it is filed with and approved by the Registrar of Cemeteries, *Funeral, Burial and Cremation Services Act*, 2002, Cemeteries Regulations Unit, Ministry of Consumer Services;

NOW THEREFORE, the Council of The Corporation of Haldimand County enacts as follows:

A. DEFINITIONS

Base Stone: The piece between the foundation and die stone of a monument or marker.

Burial: The opening and closing of an in-ground lot or plot for the disposition of human remains or cremated human remains.

By-laws: The rules and regulations under which the Corporation operates.

Care and Maintenance Fund: It is a requirement under the *Funeral, Burial and Cremation Services Act* (FBCSA) that a percentage of the purchase price of all interment rights and set amounts for marker and monument installations is contributed into the Care and Maintenance Fund. Interest earned from this fund is used to provide care and maintenance of plots, lots, markers and monuments at the cemetery.

Cemetery: Shall mean the lands under the control of Haldimand County and set aside to be used for the interment of human remains and includes a mausoleum, columbarium or other structure intended for the interment of human remains.

Contract: For purposes of these by-laws, all purchasers of interment rights must sign a contract with the Corporation, detailing obligations of both parties and acceptance of the cemetery by-law.

Corner Posts: Shall mean any stone or other land markers set flush with the surface of the ground and used to indicate the location of a lot or plot.

Corporation: Shall mean the municipal Corporation of Haldimand County.

Crypt: An individual compartment in a mausoleum for the entombment of human remains.

Die Stone: The portion of the monument containing the burial inscription.

Foundation: The load bearing portion on which the monument stands and that is placed below ground level.

Grave: (also known as Lot) means any in-ground burial space intended for the interment of any human remains including cremated human remains.

Interment Right: The right to require or direct the interment of human remains or cremated human remains in a grave, lot, niche or crypt and direct the associated memorialization.

Interment Rights Certificate: The document issued by the Corporation to the purchaser once the interment rights have been paid in full, identifying ownership of the interment rights.

Interment Rights Holder: Any person designated to hold the right to inter human remains in a specified lot.

Lot: For the purposes of this by-law, a lot is a single grave space.

Marker: Shall mean any permanent memorial structure that is set flush and level with the ground and used to mark the location of an interment.

Monument: Any permanent memorial projecting above the ground installed within the designated space to mark the location of a burial or lot. Refers to both the base and die stone portions.

Niche: An individual compartment in a columbarium for the entombment of cremated human remains.

Plot: For the purposes of this by-law, a plot is a parcel of land, sold as a single unit, containing multiple lots.

Scattering: Shall mean the act of spreading of cremated remains over a designated area within a cemetery with the knowledge and permission of the Corporation and in keeping with the cemetery by-law.

Scattering Rights Holder: Any person designated to hold the right to scatter cremated human remains in a specified lot or other designated area within the cemetery.

B. GENERAL INFORMATION

Hours of Operation:

Visitation Hours: Monday to Sunday – dawn to dusk
Office Hours: Monday to Friday 8:30 AM – 4:30 PM
Burial Hours: Monday to Sunday 9:00 AM – 4:00 PM

Contact Information:

Any persons who have general inquiries or concerns shall contact cemetery operations using the contact information below. No person shall direct inquiries or concerns to staff/contractors working on cemetery grounds.

Haldimand County
Cemetery Operations

Caledonia ON N3W 2N4
E-mail: facilities@haldimandcounty.on.ca
Phone: 905-319-5932 Ext. 6503

General Conduct:

The Corporation reserves full control over the cemetery operations and management of land within the cemetery grounds for those cemeteries under its control.

No person may damage, destroy, remove or deface any property within the cemetery. Any persons found engaging in these behaviours is subject to prosecution and/or cost recovery charges for any required repairs.

All visitors should conduct themselves in a quiet manner that shall not disturb any service being held.

Tariff of Charges:

The Corporation has established a tariff of charges to regulate the fees and charges to be paid by persons purchasing interment rights in the cemeteries under its control under the Haldimand County User Fees and Service Charges By-law. Interment fees shall cover the opening and closing of the grave.

By Law Amendments:

The Corporation shall be governed by these by-laws and all procedures will comply with the *Funeral, Burial and Cremation Services Act, 2002* and Ontario Regulation 30/11, which may be amended periodically.

All by-law amendments must be:

- a) published once in a newspaper with general circulation in the locality in which the cemetery is located;
- b) conspicuously posted on a sign at the entrance of the cemetery; and
- c) delivered to each supplier of markers who has delivered a monument or marker to the cemetery during the previous year, if the by-law or by-law amendment pertains to monuments/markers or their installation.

All by-laws and by-law amendments are subject to the approval of the Registrar, Cemeteries Regulation Unit, Ministry of Consumer Services.

Liability:

The Corporation will not be held liable for any loss or damage, without limitation (including damage by the elements, Acts of God or vandals) to any lot, plot, columbarium niche, mausoleum crypt, monument, marker or other article that has been placed in relation to an

interment or scattering right, save and except for direct loss or damage caused by gross negligence of the Corporation.

Public Register:

Provincial legislation – Section 110 of Ontario Regulation 30/11 requires all cemeteries and crematoriums to maintain a public register that is available to the public during regular office hours.

Pets or Other Animals:

Pets or other lower animals, including cremated animal remains, are not allowed to be buried on cemetery grounds.

Right to Re-Survey:

The Corporation has the right at any time to re-survey, enlarge, diminish, re-plot, change or remove plantings, grade, close pathways or roads, alter in shape or size or otherwise change all or any part of the cemetery, subject to approval of the appropriate authorities.

C. CANCELLATION, RESALE OR TRANSFER OF INTERMENT RIGHTS

Purchasers of interment or scattering rights acquire only the right to direct the burial of human remains and the scattering of cremated human remains and the installation of monuments, markers and inscriptions, subject to the conditions set out in the cemetery by-laws. In accordance with cemetery by-laws, no burial, entombment, scattering or installation of any monument, marker, inscription or memorialization is permitted until the interment rights have been paid in full. An interment rights certificate will be issued to the interment rights holder(s) when payment has been made in full. The purchase of interment rights is not a purchase of real estate or real property.

The Corporation prohibits the resale of interment or scattering rights to a third party. Interment rights holder(s) wishing the Corporation to re-purchase their interment rights must advise the Corporation of their intention in writing and cannot seek a third party buyer. The Corporation is not required to re-purchase unused interment rights in a plot (more than one lot) if one of the interment rights in the plot has been exercised. The Corporation is also not required to re-purchase unused scattering rights in a scattering ground if other scattering interment rights in the same scattering ground have been exercised.

Transfer of interment or scattering rights is permitted as long as the purchaser meets the qualifications and requirements as outlined in the cemetery by-laws.

Cancellation of Interment or Scattering Rights within 30 Day Cooling-Off Period:

- A purchaser has the right to cancel an interment or scattering rights contract within thirty (30) days of signing the interment or scattering rights contract, by providing written notice of the cancellation to the Corporation. The Corporation will refund all monies paid by the purchaser within thirty (30) days from the date of the request for cancellation.

Cancellation of Interment or Scattering Rights after the 30 Day Cooling-Off Period:

- Upon receiving written notice from the purchaser of the interment or scattering rights, the Corporation will cancel the contract and issue a refund to the purchaser for the amount

paid for the interment or scattering rights less the appropriate amount that is required to be deposited into the Care and Maintenance Fund. This refund will be made within thirty (30) days of receiving said notice. If the interment rights certificate has been issued to the interment rights holder(s), the certificate must be returned to the Corporation along with the written notice of cancellation.

- If any portion of the interment or scattering rights has been exercised, the purchaser or the interment rights holder(s) are not entitled to cancel the contract or re-sell the interment or scattering rights.

Resale of Interment or Scattering Rights after 30 Day Cooling-Off Period:

- The Corporation prohibits the resale of interment or scattering rights to a third party. Unless the interment or scattering rights have been exercised, the purchaser retains the right to cancel the contract or request that the Corporation re-purchase their interment or scattering rights. Once payment for the interment or scattering rights has been made in full and an interment rights certificate has been issued, the interment or scattering rights holder(s) as recorded on the cemetery records has the right to request that the Corporation re-purchase their interment rights. Any re-purchase of interment rights shall be in accordance with the requirements of the cemetery by-laws and in keeping with the FBCSA.
- If any portion of the interment or scattering rights has been exercised, the purchaser or the interment rights holder(s) are not entitled to request that the Corporation re-purchase their interment or scattering rights.
- If a rights holder(s) wishes the Corporation to re-purchase the interment or scattering rights, they must make the request to the Corporation in writing. The Corporation will re-purchase the interment or scattering rights at the price listed on the Corporation's current price list less the Care and Maintenance Fund contribution made at the time of purchase. The re-purchase and payment to the rights holder(s) making the request must be completed within thirty (30) days of the request.
- The interment or scattering rights holder(s) requesting the Corporation re-purchase their rights must return the interment or scattering rights certificate to the Corporation and must endorse the interment or scattering rights certificate, transferring all rights, title and interest back to the Corporation. The appropriate paperwork must be completed before the Corporation will make payment to the rights holder(s).

Care and Maintenance Fund Contributions:

As required by Sections 166 and 168 of Regulation 30/11, a percentage of the purchase price of all interment rights, scattering rights and a prescribed amount of \$25.00 where there were no scattering rights sold and a prescribed amount for monuments and markers is contributed into the Care and Maintenance Fund. Income from this fund is used to provide only general care and maintenance of the cemetery. Contributions to the Care and Maintenance Fund are not refundable except when interment or scattering rights are cancelled within the 30 day cooling off period.

Transfer of Interment or Scattering Rights:

- Any rights holder(s) wishing to transfer interment or scattering rights must notify the Corporation in writing specifying the name and address of the proposed transferee and the date of original interment rights purchase. The rights holder(s) must also supply the

Corporation with the original Certificate of Interment Rights or signed affidavit of ownership and the required transfer fee.

D. BURIAL OR SCATTERING OF CREMATED REMAINS

- Interment or scattering rights holder(s) must provide written authorization prior to a burial, scattering or an entombment taking place. Should the interment or scattering rights holder(s) be deceased, authorization must be provided in writing by the person authorized to act on behalf of the interment rights holder, i.e. Personal Representative, Estate Trustee, Executor or next of kin.
- A burial permit issued by the Registrar General or equivalent document showing that the death has been registered with the province must be provided to the Corporation prior to a burial, scattering or entombment taking place. A Certificate of Cremation must be submitted to the Corporation prior to the burial of cremated remains or scattering of cremated remains taking place.
- In accordance with the FBCSA, the purchaser of interment or scattering rights must enter into a cemetery contract, providing such information as may be required by the Corporation for the completion of the contract and the public register prior to each burial or entombment of human remains or each scattering of cremated human remains.
- Payment must be made to the Corporation before a burial can take place.
- The Corporation shall be given forty-eight (48) hours notice for each burial of human remains or scattering of cremated human remains. Saturday, Sunday or statutory holidays are not to be included when calculating forty-eight (48) hours notice. The Corporation will not be responsible for having lots prepared for interments unless sufficient notice is provided.
- The opening and closing of graves, crypts and niches or the scattering of cremated remains may only be conducted by Corporation staff or those designated to do work on behalf of the Corporation.
- Only one (1) vault may be interred in a single lot and a maximum of four (4) cremations are permitted in a single lot.
- Each lot opening must be a minimum of 1.5 m (5') depth and provide a minimum covering of 0.6 m (2') of earth over the outside cover of the vault shell or concrete liner.
- Cremated remains may be scattered within designated area(s) as determined by the Corporation.
- Cremated remains are not permitted to be scattered on a grave.
- A scattering rights contract must be completed and the payment of the scattering fee must be received before the scattering of cremated human remains can take place.
- Once scattered, cremated remains cannot be retrieved.

- Human remains may be disinterred from a lot by the Corporation or authorized designate only, provided that the written consent (authorization) from the interment rights holder(s) has been received by the Corporation. A certificate from the local Medical Officer of Health must be received by the Corporation before the removal of casketed human remains may take place. A certificate from the local Medical Officer of Health is not required for the removal of cremated remains.
- In special circumstances the removal of human remains may also be ordered by certain public officials without the consent of the interment rights holder(s) and/or next of kin(s).

E. MEMORIALIZATION

- No monument, private mausoleum or other structure shall be erected until the specific design plans have been submitted to and approved by the Corporation including: dimensions, material of structure, construction details and proposed location.
- The Corporation reserves the right to determine the minimum and maximum size of monuments and markers, their number and their location on each (p)lot. They must not be of a size that would interfere with any future interments.
- No memorial or other structure shall be erected or permitted on a lot until all charges have been paid in full.
- No inscription, monument, footstone, marker or memorial of any description shall be placed, moved, altered, repaired, cleaned or removed without permission from the Corporation.
- Minor scraping of the monument base of an upright monument due to grass/lawn maintenance is considered to be normal wear.
- The Corporation will take reasonable precautions to protect the property of interment rights holder(s), but it assumes no liability for the loss of or damage to any monument, marker or other structure or part thereof.
- Should any monument or marker present a risk to public safety because it has become unstable, the Corporation shall do whatever it deems necessary by way of repairing, resetting or laying down the monument/marker or any other remedy so as to remove the risk.
- The Corporation reserves the right to remove at its sole discretion any marker, monument or inscription which is not in keeping with the dignity and decorum of the cemetery as determined by the Corporation.
- Concrete foundations are required for all monuments and may only be installed under the direction and approval of the Corporation. Any improper installations resulting from incorrect dimensions beyond this allowance will result in the foundation removal and replacement with corresponding costs billed to the person making the request. Foundations must be installed 1.2 m (4') deep.

- For each interment, only one monument shall be permitted on any plot. One flat marker is permitted for each interment per lot therein. No monument shall exceed either the width or length of a foundation.
- No monument shall be delivered to the cemetery for installation until the monument foundation has been completed and the interment rights holder(s) and/or monument dealer have been notified by the Corporation. No memorial shall be delivered to the cemetery unless the Corporation has been notified and has approved the delivery.
- All monuments and markers shall be constructed of bronze or granite. The Corporation reserves the right to restrict the material used for markers contained in memorial walls. Artificial or perishable materials such as marble, sandstone, limestone or wood are prohibited.
- Openings drilled for vases or other items attached to memorials are prohibited. Any memorials that are not constructed of one formed piece must be adequately sealed and fastened to ensure stability and prevent weather damage.
- When a base and die stone are used, the base shall be of the same material as the die stone. Bases shall not exceed twenty-five percent (25%) of the total height of the monument. All bases must have a rough surface on all sides.
- No inscriptions are permitted on the back of a monument in cemeteries where back-to-back monument placement occurs.
- The upper surface of the marker must be flat with no projections and shall be set flush with the ground.
- Monument and marker dimension requirements:

- Seats or benches cannot be installed on (p)lots. Any person wishing to donate a seat or bench with a memorial plaque to be installed in the cemetery must contact the Corporation for approval. The Corporation will determine the seat, bench or plaque style and will work with the donor to determine a suitable location.

F. CARE AND PLANTING

A portion of the price of interment or scattering rights is trusted into the Care and Maintenance Fund. The income generated from this fund is used to maintain, secure and preserve the cemetery grounds. Services that can be provided through this fund include:

- Re-levelling and sodding or seeding of lots or scattering grounds
 - Maintenance of cemetery roads, sewers and water systems
 - Maintenance of perimeter walls and fences
 - Maintenance of cemetery landscaping
 - Maintenance of mausoleum and columbarium structures
 - Repairs and general upkeep of cemetery maintenance buildings and equipment
- No person other than cemetery staff shall remove any sod or in any other way change the surface of the burial lot in the cemetery.
 - No person shall leave debris in any area of the cemetery. The waste receptacles provided at each cemetery must be used for debris such as weeds, decayed flowers/plants, garbage, etc.
 - The Corporation is not responsible for the loss of or damage to any portable articles left upon any (p)lot.

- No person shall plant trees or shrubs in the cemetery except with the approval of the Corporation. Any person wishing to donate trees, shrubs or other permanent plantings, must contact the Corporation for approval. The Corporation will work with the donor to determine a suitable location. No person shall remove or alter trees, flower beds or shrubs on cemetery grounds without the approval of the Corporation.
- Trees or shrubs situated in any lots which have become detrimental to adjacent lots, drains, roads or walkways by means of their roots or branches, which negatively affect the general appearance of the cemetery, that are diseased or pose a safety hazard may be removed by the Corporation.
- Flower beds are permitted to be planted on (p)lots without prior approval, however are not permitted in cremation sections of any cemetery managed by the Corporation. On (p)lots where monuments have been erected, flower beds must be planted 35.6 cm (14") directly in front of the monument. If no monument has been erected, flower beds may be planted in the area normally used for the monument.
- No person shall place a glass encased flower arrangement on a lot.
- Flowers placed on a grave for a funeral shall be removed by the cemetery staff after a reasonable time to protect the sod and maintain the tidy appearance of the cemetery. All vases, urns and flower stands not properly cared for or not filled with plants before May 31st may be removed by the Corporation. Any flower arrangements, wreaths or receptacles that are unsightly, unsuitable or not maintained to an acceptable standard may be prohibited or removed by the Corporation without notification.
- No person shall erect borders, fences, railings, walls or hedges in or around (p)lots.
