CURBSIDE COLLECTION SERVICE LEVEL REVIEW

D. Pressey provided Council with an overview of curbside collection within Haldimand County, emphasizing their waste diversion efforts and highlighting six (6) significant challenges currently being faced. The collection challenges concern:

- private roads
- trailers parks
- multi-residential properties
- bulky waste
- institutional, commercial and industrial, and,
- route optimization.

A number of recommendations were suggested such as door-to-door service on private roads, regular bulky waste collections throughout the year and waste increased diversion where possible. The emphasis is to provide consistent service across the County. Council was advised that a report presenting Terms of Reference for the RFP for the 2016 contract will come to committee in August. A solid waste by-law will also be coming forward.
