

## APPLICATION

Development Charges are imposed against all lands to be developed, where the development requires:

- (1) Passing of a zoning by-law or of an amendment under the Planning Act;
- (2) The approval of a minor variance under the Planning Act;
- (3) A conveyance of land to which a by-law passed under the Planning Act applies;
- (4) Approval of a plan of subdivision under the Planning Act;
- (5) Approval of consent to sever land under the Planning Act;
- (6) Approval of condominium under the Condominium Act; or
- (7) Issuance of a building permit under the Building Code Act, in relation to a building or structure.

## INDUSTRIAL EXPANSION EXEMPTION

### (See by-law for full description)

If a development includes the enlargement of the gross floor area of an existing industrial building, the amount of the Development Charge that is payable is the following:

- (a) if the gross floor area is enlarged by 50% or less, the amount of the Development Charge is zero;
- (b) if the total floor area is enlarged by more than 50%, Development Charges are payable on the amount by which the enlargement

exceeds 50% of the gross floor area before the enlargement.

## EXEMPTIONS

The following types of development are exempted from any Development Charges under the current by-law:

- development which is or would be classified under the Assessment Act as exempt from taxation for realty taxes such as a place of worship;
- any development undertaken by the County, local board or board of Education;
- farm operation constructed for bona fide farm uses;
- the enlargement of an existing dwelling unit; or
- the creation of up to two additional dwelling units, as prescribed, subject to the prescribed restrictions, in prescribed classes of existing residential buildings.

## PURPOSE OF DEVELOPMENT CHARGES

The Development Charges Act provides that the Council of a Municipality may pass By-laws for the imposition of Development Charges against land for increased cost required because of the need for services arising from development. These Development Charges assist in providing the infrastructure required by future development by establishing a viable capital funding source to meet the financial requirements.
