Cycling Highlights Ontario Traffic Act

JUST LIKE A CAR, YOU NEED TO OBEY THE RULES OF THE ROAD

HELMETS

Every cyclist should wear a helmet to protect themselves from injury. It is a requirement that all youth under eighteen years of age must wear an approved bicycle helmet.

LIGHTS

A bike must have a white front light and a red rear light or reflector if you ride between half hour before sunset and half hour after sunrise; white reflective tape on the front forks and red reflective tape on rear forks is also required.

SLOW MOVING TRAFFIC TRAVEL ON RIGHT SIDE

Any vehicle moving slower than the normal traffic speed should drive in the right-hand lane, or as close as practicable to the right edge of the road except when preparing to turn left or when passing another vehicle. Never compromise your safety for the convenience of a motorist behind you.

DISMOUNTED CYCLIST

Cyclists are required to ride on the right-hand side of the road. If you are walking your bike on a highway where there are no sidewalks, you are considered a pedestrian and you should walk on the left-hand side of the road facing traffic. If it is not safe for you to cross the road to face traffic, you may walk your bike on the right-hand side of the road.

BELL

A bike must have a bell or horn in good working order. Before turning, look behind you and signal your turn.

BRAKES

A bike must have at least one brake system on the rear wheel.

ATTACHING TO A VEHICLE

You are not permitted to attach yourself to the outside of another vehicle for the purpose of "hitching a ride".

PASSENGERS

Passengers are not allowed on a bicycle designed for one person.

Riding in Haldimand County

Most roads in Haldimand County are rural roads where you could encounter slow-moving farm equipment. Give them space to stop, slow down and turn, and remember cyclists may be hard to see.

Bike racks are located in our urban centres; stop and visit our bike-friendly businesses.

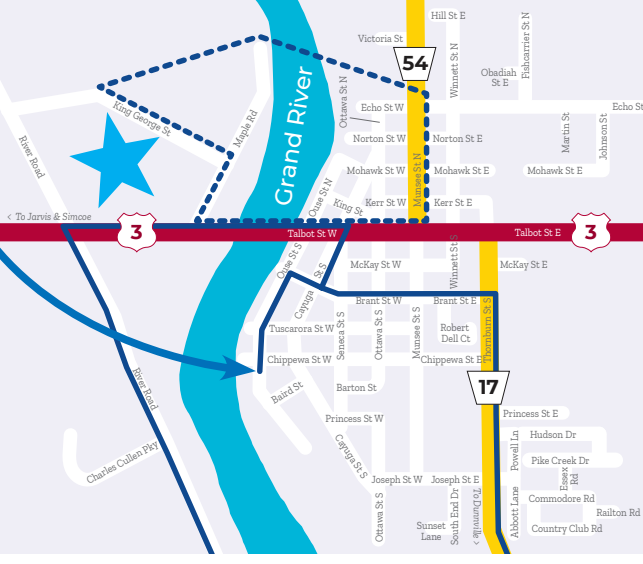

Longer-term parking accommodations are available; contact 1.800.863.9607 to make arrangements in advance.
