

## Good Forestry Practices Permit Application

### Forest Conservation By-law 2204/20

---

#### Registered Property Owner

#### Agent/Person in Charge of Tree Cutting

Name:	Name:
Address:	Address:
Township:	Township:
Province:	Province:
Postal Code:	Postal Code:
Phone:	Phone:

#### Woodland Information

Township:	Tax Roll Number:
Address:	Harvest Area (hectares):
Concession(s):	Paint Colour:
Lot(s):	Expected Start Date:

#### Authorization:

I acknowledge that I have reviewed the content and requirements of Haldimand County's Forest Conservation By-law and agree to conduct all harvesting operations in accordance with the by-law and any conditions or order issued under it. I further agree that I will not undertake any tree cutting until a Good Forestry Practices Permit has been issued by Haldimand County. I understand that under the authority of the Haldimand County Forest Conservation By-law and the Municipal Act, 2001 an appointed Officer can enter the described property for the purposes of undertaking an inspection.

Signature of Owner:	Date:
Signature of Agent:	Date:

If this application is signed by a person on behalf of the owner of the trees affected, the owner's written authorization must accompany this application.

### **Application Instructions:**

Thank you for completing this application and for your contribution to ensuring that all tree harvesting in Haldimand County adheres to Good Forestry Practices. We encourage you to arrange a pre-consultation meeting with forestry staff prior to completing this application.

Additional information is provided in the Good Forestry Practices Guidelines which are available on the County website. <https://www.haldimandcounty.ca/forest-conservation-trees/>

This application must be accompanied by the required Good Forestry Practices application fee and a Silvicultural Prescription prepared and signed by a Registered Professional Forester which requires the following information:

1. Property Location

- Township, civic address, legal description, tax roll number and a hand drawn sketch or map of the subject property.

2. Hand Drawn Sketch or Map

- North Arrow;
- Roads and crossroads, access to harvest area and skid trail locations;
- Streams, rivers, ponds and wetlands;
- Dwellings, structures and other distinguishing features;
- Property boundaries, outline of Woodland and outline of the harvest area;
- Proposed location where a copy of the permit will be posted on site;
- Maps can be created using the Digital Mapping feature found on the Haldimand County website <https://haldimand.maps.arcgis.com/apps/webappviewer/>

3. Silvicultural Prescription

- Woodland description;
- Short-term and long-term management objectives;
- Stand analysis including pre-harvest, target and residual basal areas
- Tree marking prescription;
- Identification of any Sensitive Natural Areas;
- Prescribed methods for harvesting;
- Quantity, species and size of trees to be harvested.

4. Authorization and Contact Information

- Include the names, addresses and contact information for all parties (landowner, person in charge of cutting trees, Registered Professional Forester, Certified Tree Marker, and contractors).
