

DIY Painted Tea Cup Party Bowls

In true Victorian style, paint your own Tea Cups and use them as snack/appetizer bowls at your Victoria Day celebrations!

What you'll need:

- Plain teacups (find them cheap and in assorted shapes and sizes at a local thrift store)
- Ceramic markers or food safe paint (find them on Amazon [here](#))
- Paint brushes and paint sponges
- **Dishwasher safe** Modge Podge (Also [here](#) on Amazon)

Instructions:

Wash and dry tea cups to prepare them for use. Use paint markers, or food-safe paints to decorate the plain tea-cups however you'd like. Allow the paint to fully dry, and then coat the cup in dishwasher safe Modge Podge, following the instructions on the glue container.

Once the Modge Podge process is fully complete, fill your teacups with party snacks and appetizers such as olives,

pickles, candy, veggies and more. Reuse your teacups for coffee and tea after, or give them as gifts!
