HAULED SEWAGE SYSTEM OPERATOR AGREES:

1. To pump out this holding tank at reasonable intervals so that over-filling of the tank will be prevented during the period of _____ to _____ of each calendar year.
2. To ensure that the alarm warning devices signifying when the tank is nearing capacity are functional.
3. That the pump out opening is suitably sized, capped and equipped with a locking device.
4. That all material pumped from the holding tank must be disposed of in a sanitary manner in a licensed facility.

OWNER/OCCUPANT AGREES:

1. To restrict the use of waste facilities in so far as is practical, to facilitate a systematic servicing by the hauled sewage system operator and to help eliminate emergency calls.
2. To ensure that the holding tank is equipped with audible and visual warning alarm devices signifying when the tank is nearing capacity.
3. To provide reasonably adequate access to the holding tank for the operator's equipment during the agreement period.
4. That no one but the above-named operator or agent will pump out this tank during the life of this agreement.
5. That Building Services will be notified directly of any impending termination of this agreement or change of operators.
