## Schedule A - Metered Charges

Schedules should be read in conjunction with the By-Law for all applicable terms and conditions.

| Water and Wastewater Metered<br>Charges |  | Description   | 2022 Charge | 2023 Charge | % Increase |  |  |  |
|---|--|---|-------------|-------------|------------|--|--|--|
| Standby Charge                          | When a property temporarily discontinues the use of the wastewater system or when a property is being developed or re-developed and discontinues the use of the wastewater system, a standby charge is billed based on the basic rate for the applicable service size until connection is in place. The standby charge represents the Basic Wastewater charge. |   |             |             |            |  |  |  |
| Water and Wastewater Arrears            |  |   |             |             |            |  |  |  |
| Transfer to Taxes                       | Non-payment will result in the outstanding amounts due being transferred to the current property owners tax account within 60 days.  |   |             |             |            |  |  |  |
| Transfer to Taxes - Tenants             | Non-pay  | Non-payment by a tenant will result in the outstanding amount due being transferred to the property owner's tax account within 60 days. |             |             |            |  |  |  |
